Foster City, CA

EDUCATION

[San Francisco State University](#) | San Francisco, CA | Present

* Bachelor's Degree in Computer Science

▶ Operating Systems, Software Engineering, Machine Structures,
Web Development, Quantum Computing, System Administration, Cyber Security

* Secondary Major in International Relations

▶ International Political Economy, Global Governance, International Law, Foreign Policy Analysis,
Comparative Politics, International Trade and Compliance

Projects

[WIPO Mediation Case Management](#) | Database System

Designed and implemented a database for Intellectual Property legal case management and mediation workflows. Modeled complex entities and relationships using EER diagrams, normalization techniques, and custom ORM functionality, supporting case lifecycle tracking, document management, messaging, audit logs, and treaty compliance verification

[Kinoko](#) | Language Learning Social Platform

Developing a full-stack social platform combining language learning with community content sharing; using React interfaces, Node/Express APIs, authentication workflows, relational database systems, S3-compatible image uploads, and AWS EC2/Linux deployment

[ReviewSift](#) | AI-Powered Game Review Analytics Platform

Developed a full-stack analytics platform that retrieves and processes Steam reviews at scale, leveraging Gemini AI to generate sentiment summaries, extract player feedback trends, support multilingual analysis, and create AI-generated visual content through external API integrations

Experience

[CQM.us](#) | Community of Practice Coordinator | 2020 - Present

* Website and Graphic design, Event management, Live Broadcasting

[MUNFW](#) | UNHCR Delegate of the Philippines | April 2026

- * Represented the Philippines as a UNHCR committee delegate at MUNFW, the oldest-running collegiate Model UN conference
- * Practiced diplomatic negotiation, compromise, and coalition-building
- * Drafted, sponsored, and passed 3 resolutions addressing global humanitarian challenges

[CodeAlgo Academy](#) | UX/UI Design | April 2022

- * Agile team lead, Website Design and Product MVP Creation
- * Prototyping, Wireframing, Persona Creation, Creating Affinity Maps

CREDENTIALS
